4. Click **Sign Up Now**

5. Complete the **the easy part** fields as follows:

creating your own free Wetpaint website is as easy as 1,2,3

- 1. the easy part
- 2. the fun part
- 3. the other part

- a. Complete the **Create a site name** field
- b. Complete the **Create a URL/Address** field
- c. Enter a brief description of your site in the **What's your site about?** field
- d. **Select a category for your site** – only one

1. name and describe your website

| = Required Fields

Create a site name Your name will appear in the upper left hand corner of your site. Be descriptive. You can change it later. Example: "Seattle Mountain Bikers"

Create a URL / Address .wetpaint.com Example: "mountainbike"

What's your site about? A concise explanation of what the site is about. Use full sentences rather than a list of descriptive words. Example: "The Seattle Mountain Bikers site tracks commuter routes..." [How is this used?](#)

Select a category for your site Categories help people find your site.

| | | | | |
|--|--|-------------------------------------|---------------------------------------|---|
